SUMMARY

Painter, maintenance technician and crew leader with 15+ years of residential, commercial and industrial work. Through my own company I am an approved direct vendor for Walt Disney World and Universal Orlando, doing maintenance painting and repairs in parks and resorts. I have painted 7 roller coasters with epoxy coatings, led crews of 100+ workers at Universal Epic Universe, and I train and certify my own workers on lifts and fall protection. I deliver clean, safe work on schedule in occupied, high-traffic sites.
